On discharge I was given a combination of Tramadol, Paracetamol 500mg 4x daily, and Dihydrocodeine generique. Perhaps at some stage the experiences here could be documented in some kind of sequential way (or as sequential as the randomness of Tramal problems allow). There is a social stigma to most mental illnesses that needs to stop. Enter the shape, color, or imprint of your prescription or OTC drug.

can any body tell me. They are guilty of inflicting mass suffering upon legitimate patients. Gradually decrease the water temperature. I will order again as soon as I run out of pills. The quality and accuracy of the instant test strip from the drugstore and from the online stores is the same.
