Our new search experience requires JavaScript to be enabled. I was so scared to tell my husband, because he always had the mentality of "just stop". I plan on switching back to Zolofit as it. I am needing help for my back pain, I have arthritis2 bulging discstenosis on the left side and advanced cartilage wear in my lower back. No longer will I count the pills left, divide by the days left in my RX cycle, and then take the quantity I wanted to anyway. The study was carried out between July 2009 and February 2010.
